Tél : 32 4 238 30 87  
Fax : 32 4 221 93 54

Address

boulevard du 2e Lancier, 4000 Liège

anne.rondia@liege.be

Programme

The finishing point of the walking paths, the embankment of the panoramic viewpoint stands 80 m high over the historical city centre. The development heightens the perception of the site features: the overhang, the emptiness, the angle towards the landmarks dotting the landscape.
