Address

Boulevard du Régent 43 - 44 , 1000 Bruxelles

Programme

Latham & Watkins LLP is a US Law firm based in Los Angeles composed of about 2000 lawyers located all over the world (Asia-Pacific ? Europe ? Middle East ? North America). It's a global platform of offices in the world.

About

The Latham & Watkins LLP Brussels offices needed a new entrance lobby, outside courtyard and upper floors refurbishments. The lobby and front courtyard were reviewed with a transparency and modern design. Materials came mainly from Europe trying to keep a similarity with the usually US used materials. The design of the project was done in partnership with Gensler Washington DC. The aim was to create a clear and contemporary entrance.
