

Project

COMMUNITY AND CULTURAL CENTRE

Architects

AA-AR, ATELIER D'ARCHITECTURE ALAIN RICHARD

Address

rue de la Station 80 , 4130 Esneux

Programme

Workshops and meeting rooms for local cultural associations, public library, multi-purpose auditorium and 2 outbuildings (2nd phase) and foyer.

About

The building chosen by the City of Esneux is located slightly outside the centre, near the River Ourthe. Its relationship with the environment and with the urban fabric (very close to the centre but not in the centre?) will be an extremely positive driver to inject dynamism into the routes, links, connections and pathways in the municipality.
