Programme

Construction of a villa (14 hotel rooms and spa area). As the work had to be carried out around an existing building that was to be conserved, it has been designed around remarkable trees with close up views over the park and faraway views over the opposite side of the valley. Plays of shadows and rhythms appear thanks to the staggered balconies and gallery, the fixed or sliding openwork cladding, transparent or opaque glass. The existing hotel is transformed to offer 3 more spacious rooms and t
