News

ACROSS: LECTURE SERIES - ANVERS/LIÈGE

The lecture series Across gives the floor to architects from various corners of the country that have set up their own practice over the past decade. During this exchange, which will take place alternately in Antwerp and Liège, they will talk about their experience and the specific physical and social context in which they operate.

Lectures in Anvers

SNCDA - February 22nd at 8 PM

A Practice. - April 11th at 8 PM

Vincent P. Alexis - October 4th at 8 PM

Specimen - November 7th at 8 PM

Lectures in Liège

Trans architectuur - February 17th at 7 PM

B-ild - March 16th at 7 PM

Maat ontwerpers - October 19th at 7 PM

Felt - November 23rd at 7 PM

This lecture series is an initiative of A + Architecture in Belgium, in collaboration with the Flemish Architecture institute and the architecture faculty of the University of Liège.
