## BAUKUNST: PUBLISHED IN DOMUS

---

In its October issue, the prestigious Italian magazine DOMUS is dedicating its second article this year to a project carried out by the office BAUKUNST: "Structure and Gardens". This project, a recent recipient of the European Public Prize, is part of a broader plan that sets out to open up new public spaces within particularly dense urban environments, in keeping with the tradition of "pocket parks" dotted across Brussels.

Read an excerpt of the article published in DOMUS below.
