## NP-BRIDGING AND NEY & PARTNERS WOW DESIGN A PAVILION FOR NIJMEGEN (NL)

---

In 2017 Nijmegen was elected European Green Capital for 2018 by the European Commission. NP-BRIDGING and the timber engineers of Ney & Partners WOW designed a Pavilion commissioned by the city. The arc-shaped building is made up of trunks. The building will be used as a reception area for a year and can be demounted and reused afterwards. Friday 19th January the three days 'Wonder Garden Festival' on sustainability starts.
