ATELIER D'ARCHITECTURE
NICOLA PREBENNA SPRL

Place des Verriers, 10B
4100 Seraing

Description

Atelier d'architecture Nicola Prebenna is active in different sectors such as public, private, construction, transformation or expertises. Made of a young and dynamic team, the studio cares about marrying aesthetic and technique with the budget while at the same time being preoccupied with the integration of its creations in their environment.
