Address

avenue Ariane 15, 1200 Bruxelles (Woluwe-Saint-Lambert)

Programe

Construction of a building comprised of an auction room, storage and logistical spaces, offices and spaces for inventory and sampling, a photographic studio and a car park. The project is designed to respect the principles of sustainable development. The central staircase is designed as a terrace that can be converted in the evening into an auditorium. The cafeteria and the terraces can be accessed outside the opening days of the shop. A communal crèche has been created in the building as well a
