

Project

GILLY -EUROPAN 13 -
CO-LAURÉAT

Architects

GOFFART POLOMÉ ARCHITECTES

Address

Gilly

Programme

Urban and architectural development strategy, public places design, sports facilities, city hall and construction of new housing.

About

Against the prevalence of generic, utilitarian public space, we propose a masterplan that celebrates collective public space with the pavement as iconic genesis of the project.

Typology

Offices (include mixed use)

Status

Concept proposal

Conception

2015

Client

Gilly/Europan
