## ARCHITECTURE WEEK PRAGUE 2014 INVITES PABLO LHOAS

---

Address

Technical Library, CZ Technická 16000 Prague

---

WBA and WBI/Prague organise an exhibition and a lecture at the Architecture Week Prague 2014.

The eighth edition of the festival of architecture and urbanism, Architecture Week Prague 2014, will take place from September 15th to October 19th 2014 all over Prague. The main theme of this year's festival is "Architectural Icons".

In this framework, the architect Pablo Lhoas will give a lecture entitled "Lhoas & Lhoas architects : crime, do-it-yourself and abstraction" on October 8th at the Technical Library.

In addition, one of his models will be on display at the exhibition taking place at St. Georges Convent at Prague Castle. It presents the project his office designed for the Fines Arts School of Nantes.
