BAS SMETS: EXHIBITION IN PARIS

The Cité de l'Architecture et du Patrimoine organises Duos et débats SAISON 1 ? 2018, a series of events where two teams of architects, the one based in France, the other one in an European country, are confronted every three months.

First event: Bas Smets (Brussels) versus Duncan Lewis (Bordeaux) from January 25th till May 6th 2018. The confrontation develops at first on a "piece of furniture" in the shape of half-pipe, also shared between both teams, each staging there freely objects, documents broadcasting, drawings, models of its choice ?

The opening and the round table moderated by Kaye Geipel will take place on January 25th.
