News

# LISTEN TO VENICE BIENNALE

In the radio program Par Ouï-dire (RTBF, La Première), Thierry Génicot draws up a sound portrait of Eurotopie, the selected project for the belgian representation in the Belgian Pavilion at the 16th International Architecture Exhibition of La Biennale di Venezia.

Listen to the program.

Production by the Architecture cell of the Wallonia-Brussels Federation, the Service général de la Création artistique, the RTBF, with the support of WBI.
