

MEET WBA ON THE BELGIAN PAVILLION DURING THE MIPIM IN CANNES

With more than 21.000 visitors from more than 90 countries, among which more than 5.000 visited the Belgian Pavillion in 2014, the MIPIM offers many possibilities of networking.

For the second year in a row, the three Belgian regions join forces to create a collective pavilion at MIPIM.

Fifteen years after their first participation at the event, the Walloon Region and the AWEX are also furthering their efforts to attract the attention of the international property community to the real estate projects and potential back home and to nurture business relations.

Since 2010, Brussels Invest & Export offers a platform for discussion to Brussels-based companies eager to meet these professionals. This year, on the initiative of Secretary of State, Cecile Jodogne, Brussels Invest&Export supports the architects, landscape designers and urbanists under the banner Brussels architects, adding value. There will be a meeting space on the stand and a seminar. It will be held on the Belgian Pavillion on March 11th at 3:30PM. It will deal with presentations of Brussels architectural and urbanistic expertises.

Three Belgian projects are nominated for MIPIM Awards 2015.

The young architect Frederic Haesevoets writes about his experience at MIPIM.
