RESIDENCY FOR ARCHITECTURE IN NANTES - CALL FOR APPLICATIONS

Wallonie-BruxellesArchitectures, the Architecture unit of the Wallonia-Brussels Federation andWallonia-Brussels International, in partnership with the Maison de l'Architecture des Pays de la Loire in Nantes (France), are organising the first French-Belgian residency, the purpose ofwhich is to develop activities on the subject of ?urban densification andcontemporary architecture in the suburbs?.

Theresidency is structured around a collaboration between two residential teams(one French and one French speaking Belgian) sharing a culture and differentenvironmental approaches, called on to jointly mobilise the issues of urbanrenewal processes in two specific areas:Saint-Jean-de-Boiseau, a commune in Nantes, and Walcourt, a Walloncommune in the Province of Namur.

Thepurpose of the residency is to open local residents' and inhabitants' eyes topresent day issues associated with the identity of cities and regions.

Thisstay for creation and production lasting for 8 weeks, will require the Belgianand French residents to carry out in situ and present to the public, aproject on the subject ?urban densification and contemporary architecture inthe suburbs?.

DURATION: 8weeks, between March 2019 and end November 2019 : 2 x 3 weeks of residency + 2 weeks of production/presentation

APPLICATION DEADLINE: 15 February 2019

PAIRS OF ADMISSIBLECANDIDATES: Architect, landscape architect, urban planner associated with a cartoonist

APPLICABLE TO ANY HOLDER OF A DEGREE ISSUED BY ANEDUCATIONAL INSTITUTION RECOGNISED BY THE WALLONIA-BRUSSELS FEDERATION
