TRAUMNOVELLE: KEYNOTE SPEAKER IN KIEV

Traumnovelle will be a keynotespeaker at the 12th CANactions International Architecture Festival which will take place in Kyiv, Ukraine from May 17-18 2019. They will be amongst Michelle Provoost, OMA, Henning Larsen and other guests. They are invited to explore "Hromada" a Ukrainian name for the Community, which is embedded into the country's historic and cultural codes and reflected in contemporary social movements and architectural forms. CANactions explore "Hromada" as a social and spatial phenomenon and reveal this topic in a global context at the Festival.
